American Board Certified in Medical Oncology,  
Hospice and Palliative care and Internal Medicine, MBA

Dr. Mohan Menon is a Consultant Medical Oncologist at the Sir H. N. Reliance Foundation Hospital. He has 22 years of experience practicing as a Medical Oncologist both in USA and in India. Prior to coming to India, he was a Consultant

Physician at Hartford Hospital in Connecticut and a Clinical Assistant Professor of Medicine at the University Of Connecticut School of Medicine for 17 years. He is a visiting faculty member at the Gray Cancer Centre, Hartford Hospital. He completed his fellowship in Medical Oncology from the Roswell Park Cancer Institute, Buffalo, New York prior to which he completed a residency program in Internal Medicine at the University Of Connecticut School Of Medicine. He is American Board Certified in Medical Oncology, Internal Medicine and Palliative care and was one of the first physicians in the United States to be certified in both Medical Oncology and Palliative Care. He also has an MBA in Healthcare from Alvernia University.

#### Additional areas of Interest:

- Cancer Symptom Control
- Head and Neck Cancer
- Lung Cancer
- Breast and Gynaecological Cancers

### DR.NIRAV MEHTA

Dr. Nirav Mehta is a Senior Consultant Brain and Spine Neurosurgeon, at Bombay Hospital, Mumbai since 2010. He has completed his training from Mumbai University under the guidance of the legendary neurosurgeon Late Prof. Dr S N Bhagwati.

After completion of his training in 2008 he was awarded an opportunity to work with one of the leading neurosurgeons of the world, Prof Madjd Samii at International Neurosurgery Institute, Hannover, Germany. He completed his Fellowship in advanced neurosurgery there. He further enhanced his skills by visiting leading neurosurgery centers in France, Finland, Australia and China. These centers trained him in microsurgery, neuro-endoscopy, navigation guided surgery, awake surgery, minimally invasive spine surgery, advanced neurosurgery, microvascular surgery, functional and pain surgery and neuro-oncology.

### Dr. Marzi Godrej Mehta

MBBS, MS (Gen Surgery), DNB Surgical Oncology

Dr. Marzi Mehta is a Consultant & Section Co-Ordinator at Sir H.N. Reliance Foundation Hospital. He is a Surgical Oncologist trained on various procedures of Surgical Oncology since 2004. Beside a wide experience in all fields of Surgical Oncology (DNB Surgical Oncology), he has an immense experience both nationally and internationally in Thoracic Surgical Oncology. (Lung, Esophagus and Disease of the chest)

He received a Gold Medal in MS Surgery from Gujarat. He has participated in various national as well as international conferences. He is trained in open and minimally invasive surgery in General Thoracic and Thoracic Oncology at Tata Memorial Hospital Mumbai, Royal Melbourne Hospital Australia and Robotic Thoracic Oncology from Belgium. He has several journal publications in his field of expertise to his credit and has participated in a few randomized trials.

Key interests include Robotic and Minimally Invasive Thoracic Surgery (VATS) (for Esophagus, Lung and Mediastinal masses)

### Dr. Sachin Ashok Giri

Full-Time Consultant Neurosurgeon  
MBBS, MBA (Healthcare Services), MS(G.Surg.),  
FCPS, FMAS, FIAGES, MCh (Neuro-surgery), FINR.  
Dr. L H Hiranandani Hospital, Powai, Mumbai

• Full time Consultant Neurosurgeon at Dr. L H Hiranandani Hospital, Powai, Mumbai.  
• Worked as an Assistant Professor in the Department of Neurosurgery at Government Grant Medical College & Sir J. J. Group of Hospital, Mumbai.

- Visiting fellow at Addenbrookes Hospital, Cambridge University, London.
- Fellowship in Interventional Neuroradiology.
- Specialist in brain and spine tumor surgeries.
- Specialist in skull base, vascular and spine surgeries.
- Specialist in endoscopic and minimally invasive neurosurgeries.
- Members of national and international neurosurgical associations.
- Invited Faculty in international and national neurosurgical conferences, seminars and workshops.
- Published many research articles in various national and international Journals.
- Reviewer of index journal like Asian Journal of Neurosurgery.

### Dr. Boman Dhabhar

Director, Medical Oncology  
M. B. B. S., MD (Internal Medicine), ESMO Certified

Dr. Boman Dhabhar is the Director Medical Oncology at Jaslok Hospital & Research Centre. Dr. Dhabhar has over 30 years of experience.

He stood Sixth among all International Oncologists in ESMO Medical Oncology Examination, Vienna 1999. He also stood FIRST in MD (Internal Medicine) L.T.M.M.C. & General Hospital, Sion, Mumbai. He has seen it all, right from the primitive 'toxic' chemotherapy to the more advanced targeted therapies. He has worked at Fred Hutch Cancer Center Seattle Washington, which is the Mecca of Bone Marrow Transplant, over there he has had the privilege to interact and learn from the noble laureate Dr. Donnall Thomas who is also called the father of Bone Marrow Transplant. Immunotherapy and Precision Oncology has always been Dr. Boman's passion. Oncology as a field has grown and evolved with him.

### Dr. Pradeep Singh

Full-Time Consultant Orthopedic & Spine Surgeon  
MBBS, MS (Ortho), DNB, PhD (Ortho), Fellowship in  
Neurosurgery (Germany), Fellowship in Minimal Invasive  
Spine Surgery (Singapore), Endoscopic Surgery (USA)  
Dr. L H Hiranandani Hospital, Powai, Mumbai

Dr. Pradeep Singh is a Senior Consultant and Spine Surgeon at

Dr. L H Hiranandani Hospital, Powai, Mumbai and visiting professor at NMC University hospital with 23 years of experience.

He is a practicing minimal invasive and endoscopic spine surgeon. He is editor in chief of the journal of orthopaedics and spine and international journal of surgical and medical sciences. He is active member of different spine societies of India and abroad.

### Dr. Natasha Vageriya

Full-Time Consultant Pediatric Surgeon  
M.S. (General Surgery), M.Ch. (Pediatric Surgery),  
DNB (Pediatric Surgery)  
Dr. L H Hiranandani Hospital, Powai, Mumbai

Dr. Natasha Vageriya is a Senior Pediatric Surgeon and currently heads the department of Pediatric surgery at Dr. L H Hiranandani hospital, Powai, Mumbai; with more than 15 years of experience. She has worked selflessly at G.M.C. & Sir JJ hospital for 7 years & been a recognized M.Ch. teacher, training pediatric surgeons.

She has worked in South Mumbai in renowned hospitals performing advanced Laparoscopic, Thoracoscopic procedures & Pediatric Urology. She has many international and national research publications pioneering & improvising surgical care in children.

### Dr. Rakhee Sahu

Full-Time Consultant Gynaecologist and Obstetrician  
MD, DGO, FCPS, Diploma in Endoscopy (Germany)  
Dr. L H Hiranandani Hospital, Powai, Mumbai

Dr. Rakhee Sahu is a Full-time Gynaecologist and Obstetrician practising at Dr. L H Hiranandani Hospital, Powai, Mumbai since 2012.

She has 18 years of clinical experience in the field of Gynaecology and Obstetrics. She worked at Nowrojee Wadia Hospital, KEM Hospital Mumbai as Assistant Professor and later as Associate-Professor (2003-2012). She completed her MBBS from Grant Medical College, Sir J. J Hospitals, Mumbai in 1999 and Post-Graduation from Lokmanya Tilak Medical College, Mumbai in 2002. Dr. Rakhee has trained in Laparoscopy and Hysteroscopy at Germany, Kiel School of Gynaecological Endoscopy (2012), and Operative Hysteroscopy by Dr. Osama Shawki- Bronze Hegar (Germany) (2016).

### Dr. Aashish Contractor

MBBS, MED (US), FACSM

Dr. Aashish Contractor is the Director and Consultant of Department of Rehabilitation and Sports Medicine at the Sir H. N. Reliance Foundation Hospital. He is also a fellow of the American College of Sports Medicine.

He has 25 years of clinical experience, and is widely recognized as the pioneer of cardiac rehabilitation and sports cardiology in India. He is the Vice-Chair of the International Council of Cardiovascular Prevention and Rehabilitation, which includes more than 40 countries around the world. He has been the founding Medical Director for Mumbai Marathon, from 2004 till 2014, as well as other international sporting events in India. He is the author of 'The Heart Truth', a book on heart disease prevention.

### Dr. Suresh Advani

Mentor, Medical Oncology  
M.D., F.I.C.P., F.N.A.M.S., U.I.C.C., I.R.C.E.T.T.

Dr. Suresh Advani is a Mentor Medical Oncology at Jaslok Hospital & Research Centre. He has a rich experience of 50 years in Medical Oncology. He is recipient of "Padmabhushan" by Government of India (2012), "Padmashri" by Government of India in (2002). He has also received Lifetime Achievement award from Harvard Medical Institute in 2005.

His areas of expertise are "Bone Marrow and Stem Cell Transplant, Lymphomas, Acute Leukemias, Multiple Myeloma, Breast Cancer, Spreading Cancer Awareness and Cancer Education, Clinical Trials"

Dr. Suresh Advani since 1974 has been involved with Medical Oncology/ Haematology along with strong interaction with other clinical branches and basic scientists.

At present, his strong interest is to develop developmental therapeutics with clinical research program. This will have integrated projects involving all the branches of clinical oncology as well as potential basic research. He has started biological therapeutics targeting various molecular targets on the cancer cells. At present he is working on the project for transfer of technology in CART-T cell therapy.

### Dr. Gauri Merchant

BDS, MDS, Postgraduate Diploma in Hospital Management and Health Care Research

Dr. Gauri Merchant is the Director and Consultant at the Department of Oral Health and Advanced Dentistry at Sir H. N. Reliance Foundation Hospital. She has a rich experience of more than 30 years in the field of dentistry. She specialises in Cosmetic Dentistry and Implantology. She has a comprehensive knowledge and expertise to perform all routine procedures such as surgical extractions, crown lengthening surgeries, fixed and removable prosthodontics, basic restorative work, rotary endodontics, surgical placement of implants and

their restoration. She is a fellow in Orofacial, Pain and Sleep Apnea from Roseman University, UTAH and Smile USA.

#### Her Special Interest:

Surgical & Non-surgical speciality treatment interventions like:

- Impacted third molar and other related surgeries
- Alveoloplasty
- Evaluation, planning, surgical and restoration insertion of Dental Implants
- Oral cancer screening using Velscope Vx
- Smile design and aesthetic dentistry

### Dr. Hardik Shah

MD (Med), DNB (Nephrology),  
SCH (USA)  
Consultant Nephrologist and  
Transplant Physician

Dr. Hardik Shah is a Consultant Nephrologist, Kidney Transplant physician and Specialist in Clinical Hypertension at the Bombay Hospital Institute of Medical Sciences since 15 years.

He is also an Asst. Professor in Nephrology (MUHS) at the hospital. Dr. Hardik was an International Society of Nephrology Scholar at Singapore and University of Ottawa Fellow at Ottawa, Canada. He was among the first in the country to qualify as a specialist in clinical hypertension from the American Society of Hypertension. Apart from performing Innovative Hemodialysis, CAPD and Kidney Transplants (Including swap and ABO Incompatible), he has also been instrumental in setting up the 24 hour Ambulatory BP and Central BP monitoring. He is an avid clinical researcher and has Co-authored several chapters and original articles in renowned textbooks, National and International journals.

### Dr. Manoj Mashru

MD(Med), DM(Card)

Dr. Manoj Mashru is the Director and Consultant of the Cardiology Department at Sir H. N. Reliance Foundation Hospital. He has 37 years of vast experience in the field of Cardiology. After completing MD in Medicine, Dr. Mashru pursued DM in Cardiology from

Nair Hospital, Mumbai. He did his observership in Cardiology at Michigan, and in Echocardiography at Mayo Clinic.

He has numerous publications in National and International journals. He is a fellow of American College of Cardiology, European Society of Cardiology.

#### Additional Speciality Interests:

- Interventional Cardiology
- Echocardiography
- TAVR

### DR. PARESH MARATHE

Working as Head - Dept of Pathology at Bombay Hospital and Medical Research Centre.

ALSO ASSOCIATE PROF - MUHS

Actively led the laboratory during covid times. Also responsible for smooth functioning of transfusion services. Instrumental in setting up of new Molecular Biology Laboratory.

#### Hematology

Dr Balkrishna Padate  
Dr Santanu Sen  
Dr Sameer Tulpule  
Dr Subhprakash Sanyal

### Dr. Anvay Mulay

MBBS, MS (General surgery) Mch (CVTS) MRCS  
(Cardiothoracic surgery)

Dr. Anvay Mulay is a Director of the Advanced Cardiac Surgery & Heart Transplant Department at Sir H. N. Reliance Foundation Hospital. He has more than 30 years of vast experience in the field of Cardiovascular Thoracic Surgery and Heart & Lung Transplant. He is among the very few surgeons who has an experience of minimal invasive cardiac surgery and special interest in native valve reservation and repair techniques. He has significant experience in CTEPH surgery (Chronic Thromboembolic Pulmonary Hypertension). He is an active researcher and has undertaken several clinical research projects. He has authored various research articles and several publications.

### Dr. Chetan Bhatt

MBBS, MD (General Medicine), DNB  
(Gastroenterology)

Dr. Chetan Bhatt is the Director in the Department of Gastroenterology and Hepatobiliary Sciences at Sir H. N. Reliance Foundation Hospital. He is a prominent Gastroenterologist and Hepatologist practising in Mumbai since the last 40 years. In addition to the MBBS degree, he holds an MD in General Medicine and a DNB in Gastroenterology. He has vast teaching experience and has developed an innovative and novel concept of extensive medical teaching for under-graduate and post-graduate students over three decades. He also has an experience of many years in various diagnostic and therapeutic Endoscopic procedures. He has special interest in Motility disorder and "Inflammatory Bowel Diseases" (IBD) and has started patient's education group to discuss IBD understandings for the patient. He has written patient information booklet on IBD - "Understanding IBD for patients and their relatives".

### Dr. Sudhanshu Bhattacharyya

MBBS, MS (General Surgery), MS (Thoracic Surgery), FIACS

Dr. Sudhanshu Bhattacharyya is a Consultant at Sir H. N. Reliance Foundation Hospital of Cardiac Sciences. He was a Professor in cardiovascular and thoracic surgery at KEM Hospital, Bombay University.

After MS (Thoracic Surgery), he worked under renowned Cardiac Surgeon and world pioneer in coronary surgery, Dr. Dudley Johnson. Apart from being an accomplished Cardiac Surgeon, Dr. Bhattacharyya has designed an Atrial Retractor for Mitral Valve Replacement and a retractor for taking down bilateral Internal Mammary Arteries.

He is the world's pioneer in using Bilateral Internal Mammary Arteries for Total Arterial Revascularisation on both on pump and beating heart from the year 1993 onwards with excellent long term result.

### Dr. Sujal Shah

MBBS, MS (Ophthalmology)

Dr. Sujal Shah is the Director of Ophthalmology Department at Sir H. N. Reliance Foundation Hospital. He has a vast experience of 25 years in the field of Ophthalmology. He is an alumnus of Sankara Nethralaya, Chennai, Cleveland Clinic Foundation, Cleveland and Jules Stein Eye Institute-UCLA, Los Angeles.

He specializes in Refractive surgery (LASIK), Cataract and Cornea. He has extensive surgical experience in complete range of refractive surgeries (Basic LASIK, Custom LASIK, Wave front Guided LASIK, Top guided LASIK (Contura), Femto-LASIK, SMILE, Presbyond LASIK for reading glasses), Phakic IOL's, Refractive Lens Exchange, BIOPTICS, Corneal Collagen Crosslinking and management of keratoconus. Being an early adopter of the latest technologies in laser refractive surgery, Dr. Shah was the first to start Presbyond LASIK in India in 2010 and SMILE in 2011. He has conducted clinical trials for LASIK for Carl Zeiss, Germany. He is a speaker at national and international conferences and trains other surgeons in LASIK. He has a rich experience of Cataract Surgery with premium lenses such as Toric, Multifocal, Trifocal and EDOF IOLs for spectacle free vision after cataract surgery. He also specializes in corneal transplantation and was on the advisory board of the Eye Bank Co-ordination & Research Centre, Mumbai.

### Dr. Asha Dalal

MD, DGO

Dr. Asha Dalal is the Director and Consultant in the Department of Obstetrics & Gynaecology at Sir H. N. Reliance Foundation Hospital.

She has 39 years of experience in the field of Obstetrics & Gynaecology. After completing MBBS wherein she was awarded a Gold Medal in Obstetrics & Gynaecology in the final year, did her DGO where too she got the gold medal.

This was followed by MD wherein she ranked first in the examination. Dr. Dalal has received training in Advanced Endoscopic Surgery, Advanced Colposcopy, Diagnostic & Operative Hysteroscopy, Urogynaecology, Operative Laparoscopy including Preceptorship & Animal Lab in USA. She is a Fellow of the Indian College of Obstetricians and Gynaecologists (FICOG), and a Member of the Academy of Medical Sciences (MAMS). She has several publications in National and International Journals and has been an Invited speaker at several Local, State, National & International Conferences. Additionally, she has organized several International Endoscopy Workshops as well as conducted workshops in Basic Endoscopy, IUI & Colposcopy.

### Dr. Arjun Dhawale

MBBS, MS (Orthopaedics), DNB (Orthopaedics), MRCSEd

Dr. Arjun Dhawale is a Consultant Spine Surgeon in the Orthopaedic Surgery department at Sir H. N. Reliance Foundation Hospital. He has an experience of 20 years at reputed institutions in India and North America. He has more than 35 international peer-reviewed publications in high impact journals like The Spine Journal, Spine, Spine Deformity and Journal of Bone and Joint Surgery and more than 50 national and international scientific presentations. He is a peer reviewer for many reputed journals.

#### Additional Speciality Interests:

- ♦Scoliosis and spinal deformity in children and adolescents
- ♦Degenerative lumbar and cervical disorders
- ♦Spinal trauma and infection
- ♦Minimally Invasive spine surgery (MIS)
- ♦Microscopic procedures like tubular discectomy
- ♦Craniovertebral junction and atlantoaxial instability
- ♦Conservative treatment options

### Dr. Avya Bansal

MD DNB FAPSR MNAMS,  
Consultant Chest Physician &  
Sleep Medicine Specialist,  
Bombay Hospital & Medical  
Research Centre, Mumbai

Dr. Avya Bansal is a Consultant Chest Physician & Sleep Medicine Specialist at the Bombay Hospital & Medical Research Centre, Mumbai and an Honorary Chest Physician to the

Mumbai Police Hospital, Nagpada. He has trained at Kasturba Medical College, Manipal and at Jawaharlal Nehru Medical College, Belagavi and has been awarded the Fellowship of Asian Pacific Society of Respiriology and the MNAMS degrees by the National Board of Examinations. His areas of interest include Obstructive airway diseases namely Asthma, COPD; ILD and Obstructive Sleep Apnea.

### Dr. B.K. Smruti

Dr. B.K. Smruti is a senior Consultant Medical Hemato-Oncologist at the Bombay Hospital. She has 30 yrs. of experience in treating various cancers. She founded the Mumbai Oncology Association and is Vice President of Indian Society Of Medical and Pediatric Oncology.

She has achieved major international recognition and has been invited as an expert on international panel in framing guidelines for treatment of breast and colon cancer and now leading the Pan Asia Guideline on treatment of cancer of the uterus. She has been an invited faculty at several national and international meetings. She is an invited core faculty for the European School of Oncology. In recognition of her work in Medical Oncology the Times group awarded her the Lifetime Achievement Award in 2020.

### Dr. Pankaj Parekh

MD (Paediatrics), Diploma in Child Health (DCH)

He is a Mentor and Consultant with the Paediatrics Department at Sir H. N. Reliance Foundation Hospital. He has 37 years of vast experience in treating Paediatric cases.

Dr. Parekh is a leading Paediatrics consultant of South Mumbai. He has been in private practice in 1978. He joined Sir H. N. Hospital in 1987 as Honorary Paediatrician.

Dr. Parekh is also Paediatrician to the household of his Excellency, Governor of Maharashtra (1980).

#### Additional Speciality Interests:

- ◆ General Paediatrics
- ◆ Paediatric Infections
- ◆ Vaccinations and Immunization.

### Dr. Bhupendra V. Gandhi

MBBS, MD (Medicine), Mentor, Renal Sciences

Dr. Bhupendra V. Gandhi is a mentor in the Department of Renal Sciences at Sir H. N. Reliance Foundation Hospital. He is a well-renowned Nephrologist in the city of Mumbai with more than 50 years of rich clinical experience with expertise in Nephrology & Renal Transplantations.

He has been associated with many top institutions around the globe. He is the Pioneer in India for doing the first Renal Transplantation across blood group barrier (now commonly known as ABO Incompatible). He has done around 100 such transplantations in India.

### Dr. Arun Shah

MBBS, MD (Medicine), DM (Neurology)

Dr. Arun B. Shah is a Director-Neurosciences, Consultant Neurologist and PG Teacher at Sir H. N. Reliance Foundation Hospital. He has been in clinical practice for 36 years with special interest in Stroke, Dementia, Neurocritical Care and Multiple Sclerosis.

After completing his DM, he completed a fellowship in Stroke and Vascular Neurology at the OHSU, Portland, Oregon USA. Dr. Shah directs acute stroke programme at "Stroke Ready Sir H. N. Reliance Foundation Hospital" and offers holistic care to patients at "Multiple Sclerosis Clinic" including latest disease modifying therapy.

### Dr. Sanket S. Mehta

DNB, Surgery

Dr. Sanket Mehta is a Consultant in the Surgical Oncology departments at Sir H. N. Reliance Foundation Hospital. He is a cancer surgeon performing a diverse range of surgeries for gastro & gynaec malignancies with both open and minimal invasive techniques like laparoscopic and Robotic surgery. He is the pioneer of Cytoreductive surgery and HIPEC in India and has performed one of the largest number of these surgeries in the country.

He is also accomplished at performing IOUS guided parenchyma sparing liver surgeries for multiple liver metastases and complex liver tumours. He has 12 years of experience in this field.

### Dr. Vijay Haribhakti

MBBS, MS (Gen Surg)

Dr. Vijay Haribhakti is Director of Oncosciences and Consultant Surgical Oncologist and Microvascular Surgeon at Sir H. N. Reliance Foundation Hospital. He has 35 years of experience.

Dr. Haribhakti's academic contributions have been extensive, with numerous publications in indexed international journals, textbook chapters and a book titled "Restoration, Reconstruction and Rehabilitation in Head and Neck Cancer", and published by Springer International in 2019. He has been instrumental in setting up the "One-stop Breast Clinic" at our hospital, which is geared for screening, early diagnosis and comprehensive patient care under a single roof.

### Dr. Sachin Adukia

Full-Time Consultant Neurologist  
MBBS, MD (General Medicine), DNB Neurology  
Dr. L. H Hiranandani Hospital, Powai, Mumbai

Dr. Sachin Adukia has more than 6 years experience in managing neurological disorders. After his super-specialisation in Neurology, Dr. Sachin pursued a Fellowship in Movement Disorders. His area of special interest is Parkinson's disease, tremor and other involuntary movements, old age issues such as imbalance and dementia.

He is trained in Botox injection for various neurological conditions. All neurological emergencies including stroke, seizures, brain infection, and nerve and muscle issues are routinely managed by him.

### Dr. Nagesh Subhash Waghmare

Interventional Cardiologist

I have done my MBBS (1999 batch) from Grant Medical College followed MD in internal Medicine (2006 batch) from Seth GSMC and KEMH. My DM in cardiology is from IPGME&R, Kolkata (2010 batch).

IPGME&R is one of the largest cardiac facilities in India. I am a medical teacher and Associate Professor (Honorary) in cardiology dept of Grant medical college and Sir JJ hospital since 2013.

I have done fellowship in structural cardiac interventions in adults & paediatrics from Hanoi medical university, Vietnam in year 2017. I am in private practice since year 2017. Currently, a recognised proctor for complex angioplasties and have experience of doing advanced structural cardiac interventions like TAVI, Left atrial appendage closure.

### Dr. Arpita Dwivedy

Head of Critical Care Unit  
MBBS, Diploma in Anaesthesia, Diploma in Anaesthesia  
Dr. L H Hiranandani Hospital, Powai, Mumbai

Dr. Arpita Dwivedy is working at Dr. L H Hiranandani Hospital, Powai, Mumbai, as a Full-time consultant and Head of Critical Care Unit, since September 2007. She is a very experienced doctor, who has been the guiding force behind the expansion and growth in the critical care domain. She has a distinguished academic career

and has worked in various renowned medical institutions in Mumbai and Bangalore, as Critical Care Consultant. Dr Arpita led the Covid-19 critical care efforts at the hospital and been instrumental in treating difficult cases successfully through wave 1 and 2. She frequently interacted with the electronic and print media to share her learning, on the matter. She has special interest in the area of management of infectious diseases & nutritional need of critically ill patients. She has handled difficult cases of trauma, multi-organ failure, burns, cerebra-vascular accident, pneumonia leading to ARDS and Cardiac diseases. She has been instrumental in planning and design of various ICU/ ICCU projects. Dr Arpita has been a part of several global clinical studies in the area of ICU drugs, conducted by leading pharmaceutical companies. She has a number of research paper publications and web-based articles to her credit. An important publication is the Time dependent analysis of length of stay and mortality of urinary tract infections in ten developing countries: INICC findings- 01/02/2011 (with Dr. Victor Rosenthal). She is a teacher for Fellowship in Critical Care under the Indian Society of Critical Care Medicine and DNB (Critical Care Medicine)

### Dr. Chitwan Dubey

Full-Time Consultant Obstetrics & Gynaecologist  
MBBS, MS  
Dr. L H Hiranandani Hospital, Powai, Mumbai, India

MBBS from the prestigious KGMC, Lucknow & Masters from GMC & Sir JJ Group of Hospitals, Mumbai & has 17+ Years of experience. Worked as a Registrar at Bombay Hospital. Subsequently went on to join Grant Medical College and served as a faculty for about 5 years. There she has trained many practicing Obstetrics and Gynaecologist. also participated in quite a few Clinical Trails and research.

Has trained and worked in Gyneec Laparoscopy, basic and advanced procedures from 2006 till 2010, operating across hospitals in mumbai, namely Bombay Hospital, Breach Candy Hospital, Saifee Hospital, BARC, Fortis Etc. Has been a leading Obstetrics and Gynaecologist at Sevenhills Hospital and Surya Hospital, Mumbai, over the last decade with a huge practice dealing with the most challenging of High Risk Pregnancies and laparoscopic surgeries, with excellent outcomes in all. Also operated quite a few international patients travelling to India for gyneec laparoscopy procedures. She has won the prestigious C. L. Jhaveri award of FOGSI for her research on Modified Wertheim's Technique for cancer cervix, and also an RCOG award for "A rare successful outcome in pregnancy an Eisenmengers patient". A firm believer in evidence-based practice protocols. Her warm and friendly approach makes her very dear to all her patients.

### Dr. Ashish Vijay Bakshi

Consultant Medical Oncologist  
(18 Years as specialist)

MBBS, MD- General Medicine, DM- Oncology  
Dr. L H Hiranandani Hospital, Powai, Mumbai

Dr. Ashish Vijay Bakshi is a Consultant Medical Oncologist and Hemato Oncologist in Powai, Mumbai and has an experience of 25 years in this field. Dr. Ashish Vijay Bakshi is the Director, Medical oncology & hematology at International

Oncology cancer therapy center at Dr. L H Hiranandani Hospital in Powai, Mumbai.

He Completed MBBS from Nagpur University in 1994, MD- General Medicine from Nagpur University in 1999 and DM- Medical Oncology from Tata Memorial Hospital Mumbai in 2004. He performs allogenic and autologous transplants for leukemia, lymphoma and myeloma at the Transplant center at Dr. L H Hiranandani Hospital. He is a member of several national and international organizations involved in Hematology and Oncology. He has several publications to his credit and is an invited faculty at National conferences.

### Dr. Sameer Gaggar

MBBS, MD Medicine (Mumbai), MRCP Internal Medicine (UK),  
MRCP Gastroenterology (UK), CCT Gastroenterology (UK)

Dr. Sameer Gaggar is a Senior Consultant with the Gastroenterology department at Sir H. N. Reliance Foundation Hospital for the last 8 years. Post completion of his MBBS and MD in Medicine from Mumbai, Dr. Gaggar achieved MRCP Internal Medicine, MRCP Gastroenterology and CCT Gastroenterology from UK.

He has been extensively in UK and has worked there in Gastroenterology and Hepatology areas for 11 years. He has worked at the Liver Transplant Centre in Newcastle Upon Tyne, United Kingdom and also holds a JAG Accreditation for endoscopic procedures. An experienced therapeutic endoscopist, Dr. Gaggar is proficient in procedures such as polypectomies, EMR, GI stenting, PEGS, balloon dilatation, variceal banding and treatment of GI bleeds. He is an expert in capsule endoscopy, spiral motorized enteroscopy, urea breath test and hydrogen breath tests. Dr. Gaggar has several International and National Publications, Abstracts and Audits to his credit and is also the recipient of the First prize in the Annual Medicine (MD Medicine) Thesis Competition.

### DR. ANIL SHARMA

Dr. Anil Sharma is a renowned cardiologist & outstanding teacher who has contributed significantly in the growth and development of Interventional Cardiology in India. He joined Bombay Hospital in 1997; presently he is working as a Prof. & Head, Department of Cardiology.

He has worked at prestigious Mount Sinai Hospital New York, USA & University Hospital Torino, Italy. Dr. Anil Sharma is one of the few Indian cardiologist who got advanced fellowship in Complex Angioplasty. He is confirmed honorary "Doctor of Science" by D.Y. Patil University recently. Recently he presented Angioplasty cases in "Top Challenging Angioplasty Cases" session in TCT USA the most prestigious Angioplasty conference. He has done more than 25,000 procedures in last 25 years which includes Coronary Angiography/Angioplasty & Non-Coronary interventional procedures. He has received many awards including Gem of India, Dr. Rajendra Prasad Vaidyakeey award, Most Innovative Cardiologist award, Mumbai Achievers award. He has more than 50 national/international publications including recently published articles "All your COVID-19 Questions". His dream is to make India free of heart attack by lifestyle modification.

### Dr. Rekha G. Daver

MBBS, MD (OBGY), DGO

Dr. Rekha G. Daver is Senior Consultant in the Department of Obstetrics & Gynaecology at Sir H. N. Reliance Foundation Hospital and Professor Emeritus at Grant Medical College, Mumbai Gold Medalist in Obstetrics & Gynaecology. Dr. Daver received further training in LASER & Micro-surgery at Baylor College of Medicine Houston, USA. She retired as Dean, G.M.C., Akola Prior to that she was Professor & was Head at Grant Medical College & Sir JJ Group of Hospitals, Mumbai for 20 years.

Her work has been recognized by many National and International Awards notable being Best professor Award, Lifetime Achievement Award Labhsetwar Foundation USA Award, IMA (Indian Medical Association) Best Doctor Award and "Certificate of Honour" by Government of Maharashtra for her dedicated 40 years services in Women's Health & Medical Education.

Areas of Interest are Vaginal Hysterectomy - for prolapse, fibroids etc, Endoscopic Surgery - Laparoscopy, Hysteroscopy, Menstrual Disorders, PCOD, Endometriosis etc Uterine, Cervical & Ovarian Cancers Contraceptive Implants, Lap Tubal Ligation Normal and High Risk Pregnancies

### Dr. Rishma Dhillon Pai

MD, FRCOG (UK- HON), DNB, DGO, FCPS, FICOG

### Dr. Nilen A Shah

MBBS, DOrth, MS Orth, MCh Orth (UK)

Dr. Nilen Shah is a Consultant Orthopaedic and Joint Replacement surgeon at Sir H. N. Reliance Foundation Hospital with over 30 years of experience in private practice. He currently performs over 1500 Knee Replacements/year and he has pioneered the use of Mini Subvastus Knee Replacements in India. This is a minimally invasive musclesparing approach for Knee Replacements which allows patients to start walking the same day of the surgery and be ready for home either the same day or the next day.

He has also carried out stellar research on several aspects of Knee Replacements e.g. Improving alignment following TKR by using surface mounted navigation, decreasing blood loss after a TKR by using tranexamic acid, reducing pain following a TKR by using peripheral nerve blocks apart from knee replacements on obese patients and patients with limited range of motion of the knee.

He has published papers on these and other subjects in reputed international and national journals.

He is a regular faculty for Joint replacement conferences in India and abroad. He specializes in Knee Resurfacings (Partial Knee Replacements); Total Knee Replacements, Revision Knee Replacements and Hip Replacements.

### Dr. Pritam Kataria

MBBS, MD (General Medicine), DM (Medical Oncology and Haematology), PDCR (Clinical Research)

Dr. Pritam Kataria is a Consultant with the Medical Oncology department at Sir H. N. Reliance Foundation Hospital, Mumbai. He has more than 5 years of rich clinical experience. His field of interest includes solid malignancies like lung, breast, colon, prostate, gastro-intestinal, hepato-biliary tumours and bone sarcomas.

He specializes in haematological malignancies like lymphoma, leukaemia and myeloma. He has received travelling grant for ESMO Asia from ISMPOCON as a reward for the best paper.

He is a member of various oncologic societies like European Society of Medical Oncology (ESMO) and American Society of Medical Oncology (ASCO).

He has achieved various awards in the academic arena. He has been a faculty at various conferences at the national and international level. In addition, he has 17 publications in national and international journal.

### Dr. Nimit Shah

MBBS, MRCP (UK), MD in Cardiovascular medicine (Dundee, UK), CCT in cardiology (Oxford, UK)

Dr. Nimit Shah is a Consultant in the department of Cardiology at Sir H. N. Reliance Foundation Hospital. He has more than two decades of international experience in the field of Cardiology.

He has vast experience in both general and interventional cardiology. He is competent in performing simple and complex coronary intervention using both femoral and radial (80-90%) access.

He is a proctor for IVUS, Rotablation, complex angioplasties and for laser angioplasty where he visits various centres in India to teach and perform complex high-risk cases.

Dr. Shah has authored 16 research international publications and 22 conference publications. He has attended many seminars and conferences as a faculty or invited lecturer.

### Dr. Rajesh R. Sharma

MBBS, MD (Chest and Tuberculosis), D.N.B (Respiratory Medicine)

Dr. Rajesh Sharma is a Mentor and Consultant Pulmonary Medicine Department at Sir H. N. Reliance Foundation Hospital.

He is a specialist in Pulmonary Medicine and Intensive Care with a wealth of knowledge and experience, having been in practice for over 30 years. Dr. Sharma is a founder member and past secretary of Indian Society of Critical Care Medicine.

He has always been involved in teaching, supervising and examining doctors and trainees in his speciality. He has expertise in performing bronchoscopies and has keen interest in Interventional Pulmonology. With special interest in Multi drug resistant Tuberculosis, and Sleep Medicine, Dr Sharma also provides care in other respiratory diseases including Asthma, Chronic Obstructive Pulmonary Disease and Interstitial Lung Diseases. He is passionate about the respiratory health of his patients and believes there is nothing more fulfilling than helping patients breathe more easily.

### Dr. Poornima A. Shah

Dr. Poornima A. Shah, certified by American Board in Clinical Neurophysiology and Intra Operative Neuro Monitoring (IONM). She is credited with the largest experience in IONM. She specializes in EEG and EMG (pediatric and adult). Her practice is at Jaslok hospital and Neurodiagnosis Clinic at Goregaon west.

### Dr. Hemant Thacker

Additional Director, Internal medicine  
M.B.B.S., M.D.(Bom.), M.R.S.H.(Lond.), F.A.C.P. (USA),  
F.A.C.C.E. (USA) & F.I.S.H. (India)

Dr. Hemant Thacker is Additional Director, Internal Medicine at Jaslok Hospital & Research Centre. He has an experience of more than 40 years. His expertise and experience in Internal Medicine especially infections and life style disease (Diabetes, Hyperlipidemia, Hypovitaminoses, Hypertension, etc) has made him renowned in Cardio Metabolic disorders.

Dr. Hemant Thacker initiated Clinical Trial research 30 years ago and is a recognized Principal Investigator for more than 30 international multi centric trials.

He is a pioneer in antibiotic stewardship and under his guidance the first policy was designed.

His innovations and pioneering work in the recent pandemic has earned him immense laurels academically & socially.

### Dr. Shailesh Raina

Director, Urology & Renal Transplantation, Co-ordinator Robotics  
MBBS, MS, DUROL (London)

Dr. Shailesh Raina is the Director, Urology & Renal Transplantation, Co-ordinator Robotics at Jaslok Hospital & Research Centre. He has a rich experience of more than 40 years. His areas of expertise are Upper tract Endourology, Neuropathic Bladder, Stress urinary incontinence in women, Renal Transplantation (including Cadaveric Renal Transplantation) and Male Erectile Dysfunction.

He is one among the top urology doctors in Mumbai. Dr. Raina is the first person in India to have used the HPS 120 Watts Laser for Prostate. He has helped set up Stone clinic at Jaslok Hospital in 1989, introducing Lithotripsy, upper tract Endourology (PCNL & URS), & has expertise in Minimally Invasive techniques for stone diseases for over 40 years.

He is the first in Asia to have embarked in L.D.D.M free micro vascular flap for atonic bladder and has done pioneering work on sacroneuro modulation for neuropathic bladder.

He is the President of Pelvic Floor society and runs an Incontinence and Neurourology clinic at Jaslok Hospital.

### Dr. Dilip Nikam

Professor and Head, Radiation Oncology Dept,  
Bombay Hospital &MRC

Dr. Dilip Sandipan Nikam, is currently working as Professor and Head, Radiation Oncology Department at Bombay Hospital & Medical Research Centre, Mumbai. He was trained at Jaslok Hospital and Research Centre. He is Hon. professor at Grant government Hospital, Mumbai. He has specialized as Radiation Oncologist, Completed advanced Training for Conformal Radiotherapy techniques such as Rapid Arc, IGRT, IMRT, SRS/SRT and Adaptive Radiotherapy at IOSI-

Intituto Oncologico Della Svizzera Italiana, Bellinzona, Switzerland in April, 2011 and IMRT/ Rapid Arc in Zug, Switzerland, in February 2012. He has trained for SRS/SRT/ SBRT on Tomotherapy, Cyberknife at University of Heidelberg, Germany, in October, 2018. He has keen interest in academics and clinical research. He has many publications in National and International Journals. He also presented his research work at ASTRO 2019, at Chicago, USA. He has participated in more than 35 cancer screening detection camps and delivered many lectures on cancer awareness. He is recipient of many Awards and Certificates for his excellent service in cancer field, from Hon. Chief Minister of Government of Maharashtra & Government of Madhya Pradesh.

#### Expertise & Experience:

He has more than 16 years of experience in advanced techniques of Radiation Therapy such as IMRT, VMAT & IGRT and Radio-surgeries such as SRS, SRT, SBRT.

### Dr. Vikram Lele

Director, Nuclear Medicine & PET-CT  
MD (Medicine) DRM, DNB (Nuclear Medicine)

Dr. Vikram Lele is the Director, Nuclear Medicine & PET CT at Jaslok Hospital & Research Centre. He has a rich experience of 33 years in Nuclear Medicine.

His areas of expertise are Diagnostic & Therapeutic Nuclear Medicine. He has been the Ex-President of Association of Nuclear Medicine Physicians of India (ANMPI) and Member, Editorial Board, European Journal of Nuclear Medicine, and Indian Journal of Nuclear Medicine.

Dr. Lele is the pioneer in the country for several scans in Nuclear Medicine (scans for Brain, Parkinson's disease, and Heart).

He also has a large experience in treatment of Thyroid Cancer, Neuroendocrine Tumours and Prostate Cancer with Nuclear Medicine.

### Dr. Sudheer Ambekar

Consultant, Neurosurgery  
M.B.B.S., M.Ch., IFAANS

Dr. Sudheer Ambekar is a Consultant, Neurosurgery at the Jaslok Hospital & Research Centre. Dr. Ambekar specializes in the treatment of brain tumors and stroke.

His areas of expertise are skull base tumors, brain mapping during brain tumor surgery, Trigeminal neuralgia, hemifacial spasm, surgery and Endovascular therapy for cerebrovascular diseases leading to stroke and using minimally invasive endoscopic techniques for treatment.

He is one of the few dual-trained neurosurgeons in the country able to offer both surgical and minimally invasive endovascular solutions to complex cerebrovascular disease such as carotid stenosis, Moyamoya disease, aneurysms, arteriovenous malformations, arteriovenous fistula and cavernous malformations."

### Prof. Shirang Bichu

DNB (Gen Med), MNAMS (Nephrology)

Dr. Shirang Bichu, Professor of Nephrology with more than 25 years of teaching and clinical experience in Nephrology and Transplant, was trained at Westmead Hospital, University of Sydney, one of the world's premier Nephrology and Kidney Transplant Institutes.

He heads the Department of Nephrology and Kidney Transplant at Bombay Hospital Institute of Medical Sciences, Mumbai, which runs the three-years DM- Nephrology course affiliated to Maharashtra University of Health Sciences and National Medical Council. Formerly, he was a faculty member at Grant Medical College and JJ Group of Hospitals. He is one of the founding Trustees of Apex Kidney foundation, a Charitable Trust, dedicated to the well-being and support of patients with kidney diseases and to promoting education of general public, patients, dialysis Technicians and Physicians as well as students of Nephrology. He is the Chairman of the Kidney Committee of Regional Organ and Tissue Transplant Organisation (ROTO), and a member of the task force of the Government of Maharashtra for Cadaver Transplant and a member of Board of Studies (Medical Super-Speciality) of Maharashtra University of Health Sciences.

### Dr. M.M. Bahadur

Director Administration Department of Nephrology and Transplantation  
M.D., DNB

Dr. M. M. Bahadur is the Director Administration Department of Nephrology and Transplantation at Jaslok Hospital & Research Centre. He has a rich experience of Clinical Nephrology, Transplantation, Hemo-dialysis and Peritoneal dialysis.

After post-graduation Dr. M M Bahadur has worked at a spectrum of health care facilities from primary care to the super speciality tertiary care set up. Such an experience has given him unparalleled clinical acumen, and bedside diagnostic skills. Working at Jaslok Hospital, which has cutting edge technology, makes further perfect blend for a physician. He has a distinction of doing maximum renal transplants in Maharashtra. He believes in looking at the patient as a whole, ensuring the best health outcome for the patient. He believes in ethical practice and has excellent rapport with the patients.

#### His Expertise:

- Renal transplantation, special emphasis on blood group incompatible transplants, HIV positive transplants, swaps transplants, highly sensitized and paediatric transplants.
- Other speciality interests are Diabetic Nephropathy, Non Dialysis Medical Management of Kidney diseases, CAPD, IgA Nephropathy, Glomerulonephritis, Haemodialysis.

### Dr. Nitin Pai-Dhungat

MBBS, DGO, DNB (Obs-Gyn) -Gold medallist, MRCOG

Dr. Nitin Pai Dhungat is a Consultant Obstetrician and Gynaecologist at Sir H. N. Reliance Foundation Hospital. He has more than 17 years of experience in the field of Obstetrics & Gynaecology. He is trained in

conventional as well as modern methods of treatment. Special Areas Of Interest Include High Risk Obstetric Cases Requiring ICU Care, Advanced Gynaecology issues & surgical experience treating severe Endometriosis, Gynaecology Malignancies, Benign Uterine Tumours. His approach to surgery is no cut (Vaginal)/ Key Hole Surgery (Laparoscopic) in majority of cases. This is the biggest advantage in considering recovery of patients post-operative. He has presented several papers including Management of Rare Cases under his guidance.

### Dr. Reetu Jain

Director, Bone Marrow & Stem Cell Transplant & Academics  
M.B.B.S, M.D

Dr. Reetu Jain is the Director, Bone Marrow, Stem Cell Transplant & Academics at Jaslok Hospital & Research Centre. She has experience of 22 years. She has received her training at Tata Memorial hospital, Mumbai. She treats Hematolymphoid malignancies and Solid tumours

Her special interest is in Bone Marrow and Stem Cell Transplant. She has been trained in treating Solid malignancies, like Breast Cancer, Ovarian, Lung, GI Cancers and Hematolymphoid Malignancies, Acute Leukaemia, Myeloma, Lymphoma, Chronic Leukaemia. Dr. Jain has performed 400 Stem Cell/Bone Marrow Transplant, Allogenic Transplantation (Sibling matched, Matched unrelated, Haplomatched Transplantation) and Autologous Transplantation. She is managing all Haematological Malignancies and Solid tumours. She is on the editorial board of Indian Journal of medical and Paediatric Oncology (IJMPO). She is the Registry committee member of Indian society of bone marrow transplant (ISBMT) and also conducts Cancer awareness lectures regularly.

### Dr. Hemant Mehta

MD,DA,MCPS

Dr. Hemant Mehta is the Director Department of Anaesthesia and Pain Management at Sir H. N. Reliance Foundation Hospital with an experience of 39 years. He is specialised in the management of very high-risk patients, regional anaesthesia, nerve blocks and conducting painless deliveries.

Dr. Mehta holds the world record for anaesthetising a 300-kilogram patient under Epidural Anaesthesia by joining two operation tables. He has designed NEUROLEPT INFUSION THERAPY for treating CRPS and other refractory chronic CANCER PAIN patients and palliative care patients with good success rate. Dr. Mehta is managing all operation theatres and Anaesthesia Department at our hospital from 2015. He is known to manage very high risk Bariatric Surgery, Spine Surgery, etc under Regional Anesthesia.

### Dr. Bipeenchandra Y. Bhamre

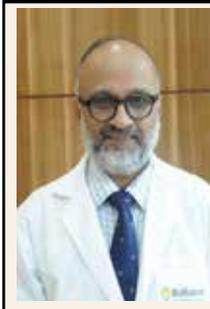

MBBS; MS; M.Ch. Cardiovascular and Thoracic Surgery; MD (USA)

Dr. Bipeenchandra Y. Bhamre is a Consultant Cardiothoracic Surgeon at Sir H. N. Reliance Foundation Hospital. He has 16 years of rich national & international experience in Cardiovascular and Thoracic Surgery. He is trained with world's foremost heart surgeon, Dr. Denton Cooley, at Texas Heart Institute, Houston, Texas, U.S.A. He is known for his expertise in most complex clinical situations with unbiased opinion and For CABG surgeries with best results comparable to north American standards.

He uses exclusively LIMA RIMA called as bilateral internal mammary arteries conduits during CABG. Using the minimally invasive technique, he can perform cardiac operations through small incisions with rapid recovery and short hospital stay. He is experienced in treating complex Aortic Aneurysms with Hybrid procedures through small incisions. Using the minimally invasive technique, he can perform cardiac operations through small incisions with rapid recovery and short hospital stay. He is experienced in treating complex Aortic Aneurysms with Hybrid procedures through small incisions.

#### Speciality Interests:

- Off-pump total arterial CABG.
- Mitral Valve repair surgery.
- Heart valve Replacement.
- Mechanical Circulatory Support (ECMO, LVAD).
- Heart Failure Surgery – LV Aneurysm Repair.
- Complex Aortic Aneurysm Surgery.
- Minimally Invasive Heart surgery.
- Robot-assisted Heart Surgery.
- Pulmonary Thrombo-Embolectomy.

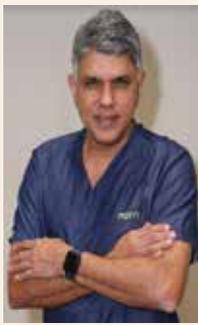

### Dr. Shivaprakash

MBBS, MS (General Surgery),  
MCh (Cardio-thoracic & Vascular Surgery)  
Paediatrics & Congenital Heart Surgeon Chief

Dr. Shivaprakash Krishnanaik, widely known as Dr. Shiva, is the Director and Consultant of Department of Paediatric Cardiac Sciences at Sir H. N. Reliance Foundation Hospital.

He has a vast experience of over 30 years in the field of Paediatric and Congenital Heart Surgery. He is the former President of the Paediatric Cardiac Society of India (2016 – 2018). His Research and Academic Interests span through the Specific Problems in Congenital Heart Disease in the Developing World, and the Development of Cost-effective Management in Paediatric Cardiac Surgeries. He has more than 65 publications in indexed leading journals of the world. Many of them are innovation in congenital heart surgery.

### Dr. Muffazal Lakdawala

MBBS, MS (General Surgery)

Dr. Muffazal Lakdawala is the Director and Consultant at the Department of General Surgery and Minimal Access Surgical Sciences at Sir H. N. Reliance Foundation Hospital. He has been awarded an honorary membership by the South Korean, Japanese & Chinese Societies of Surgery. He has a rich experience in the field of Minimally Invasive Surgical Procedures for Metabolic and GI Oncology Surgeries.

Dr. Lakdawala has been awarded with the Best Surgeon in the World by the American Society for Metabolic and Bariatric Surgery and World Master Educator Award by International Federation of Surgery for Bariatric and Metabolic Surgery. He specialises in Single Incision surgery where he has performed the largest number of cases in the world. He has been awarded an honorary membership by the South Korean, Japanese & Chinese Societies of Surgery. He is Prof. Emeritus at BYL Nair Hospital teaching young surgeons in the field of laparoscopic surgery and is the Hon. Surgeon to the Vice President of India.

### Dr. Prabha Yadav

MBBS, MS (Plastic Surgery)

Dr. Prabha Yadav is Director and Consultant at the Department of Plastic and Reconstructive Surgery at Sir H. N. Reliance Foundation Hospital. She has more than 35 years of rich national and international experience. Dr. Prabha Yadav has been actively involved in teaching post graduates over last 37 years. In past she was Professor & Head of the Plastic & Reconstructive Surgery Department at TATA Memorial Hospital.

She has conducted number of workshops and meetings and developed fellowship programmes for Plastic and Reconstructive surgeons to master microvascular surgery practice in country. Having trained over 150 Reconstructive Microvascular surgeons in India and neighbouring countries, she is instrumental for current Reconstructive Microvascular surgery in India. Dr. Prabha Yadav held prestigious position of "President of Association of Plastic Surgeons of India" in 2015 and conducted a very successful Golden Jubilee Conference of the association in the same year. She has published a book titled "Mastering Cancer Reconstructive Surgery with Free Flaps".

Recently she has been honoured and felicitated as 'Pioneer Lady Microsurgeon from Asian continent' at the World Society of Reconstructive Microsurgery conference June 2022 forum at Cancún, Mexico.

### Dr. Percy Jal Chibber

MBBS, MS (General Surgery), FCPS, FRCS, MNAMS (Urology)

Dr. Percy Jal Chibber is a Director and Consultant Urologist at Sir H. N. Reliance Foundation Hospital. Dr. Chibber has a rich experience of 39 years in the field of Urology.

Since 1983, Dr. Chibber has pioneered the development and training on the techniques of percutaneous Renal Surgery in India. His personal experience includes more than 2000 successfully treated cases. He was invited as a faculty member at the World Congress of Endourology held in 2004. Since 2000, he has established Laparoscopic Urological Surgery unit at the Grant Medical College. He has trained numerous residents in Endourology, Laparoscopy, Robotic Surgery and Renal Transplantation for 30 years. His main interest is Uro-Oncology.

### Dr. Prashantha S. Rao

MBBS, MS(General Surgery)

Dr. Prashantha S. Rao is Senior Consultant in Liver Transplant & HPB Surgery at Sir H. N. Reliance Foundation Hospital. He has done his MBBS and MS (General Surgery) from Maulana Azad Medical College (New Delhi) following which he worked in the Department of Surgical Gastroenterology at Sir Ganga Ram Hospital (New Delhi). He did his liver transplant fellowship also at Sir Ganga Ram Hospital (New Delhi).

He was a consultant previously at Apollo Hospitals, Hyderabad & Chennai before joining Sir H. N. Reliance Foundation Hospital, Mumbai.

Dr. Prashantha has over 11+ years of experience in the field of HPB Surgery & Liver Transplant. He has worked as a Senior Consultant in HPB Surgery and Liver Transplant at premier institutes in Mumbai, Pune, Chennai and Hyderabad. His other area of interest is in advancing the field of minimally invasive HPB Surgery both Laparoscopic and Robotic. He is a member of the liver subcommittee of ZTCC, Mumbai and the liver transplant society of India which is the apex body for liver transplant in India. He has multiple publications in international and national journals.

### DR. SOUMIL J VYAS

MS, DNB, FRCS(Ed), FRCS (Upper GI/HPB), MNAMS, M.Med (Surg) (Singapore)FAIS, FEBS,FIAGES,FMAS,FACS

Dr. Soumil J. Vyas is a consultant of Surgical Oncology/ HPB Surgery at Sir H. N. Reliance Foundation Hospital.

#### Consultant Surgeon

- 1.Surgical Oncology – Cancer surgery with special focus on Liver, Gall bladder, bile duct and Pancreas Cancer– (HPB Surgery) and Gastro Intestinal Cancer ( Stomach and Intestinal Cancer )
- 2.Liver, Gall bladder, bile duct & Pancreas Surgery- HPB Surgery.

- 3.Surgery for metastatic liver disease – liver metastases.
- 4.Gastro Intestinal Surgery – GI Surgery.
- 5.Surgery for Neuroendocrine tumours / Retroperitoneal Tumours.
- 6.Surgery for complex abdominal conditions.
- 7.Liver Transplantation.

#### Experience

Trained extensively in well-known centers of Excellence in India and abroad. Numerous Publications and presentations in international journals and in National/ International Meetings.

#### Speciality Interests

- 1.Cancer of the liver, gall bladder, bile duct and pancreas.
- 2.Surgery for metastatic liver disease- cancer which has spread to the liver.
- 3.Surgery for gall bladder conditions – gall stones - laparoscopic cholecystectomy
- 4.Gastro intestinal Oncology / Cancer Surgery – cancer of the stomach and intestines, neuroendocrine tumours.
- 5.Liver transplantation.

### Dr. Pettarusp M. Wadia

Consultant, Neurology  
M.B.B.S., MD, DNB (Gen Medicine),  
DM, DNB (Neurology)

Dr. Pettarusp M. Wadia is a Consultant, Neurology at Jaslok Hospital & Research Centre. Dr. Wadia is running the movement disorders clinic at Jaslok Hospital since 2008, which specializes in caring for patients with Parkinson's disease (PD), Parkinsonism, Dystonia, Tremors, Chorea, Wilson's disease, Tourette's syndrome, Restless Legs Syndrome and other Movement Disorders.

At the clinic we offer botulinum toxin therapy (with EMG guidance when indicated) to patients with hemifacial spasms, blepharospasm, cervical dystonia, writer's cramp (focal hand dystonia) and patients with spasticity (commonly post stroke). Dr.Wadia is actively involved with the functional neurosurgical program, offering advanced treatments like deep brain stimulation (for various diseases like PD, dystonia and tremors). He is actively involved in patient selection, intraoperative neurostimulation and also post-operative programming of deep brain stimulators.

We have one of the largest series of patients implanted with directional stimulation, improving outcomes in patients with deep brain stimulation. This research has been presented nationally and internationally.

### Dr. Talha Meeran

MBBS, MD (Internal medicine), FACC (Cardiology, USA)

He is a Consultant Cardiologist, Head - Heart Failure Program at Sir H. N. Reliance Foundation Hospital. He has a rich global experience of over a decade in the field of Cardiovascular Medicine. Dr. Meeran specializes in advanced heart failure and cardiac transplant with vast experience in pulmonary arterial hypertension (PH). He is amongst a selected handful of USA board-certified cardiologists in India with advanced certification in managing post-cardiac transplant patients and patients with artificial heart pumps (LVAD) and Pulmonary Hypertension.

He specializes in the diagnosis and treatment of heart and vascular diseases such as advanced heart failure, PH, rare forms of cardiomyopathy (eg: cardiac amyloidosis, sarcoidosis and ARVC), coronary artery disease and heart rhythm disorders. He is skilled at performing cardiac procedures such as coronary angiogram, right heart catheterization (with vasoreactivity testing) and cardiac biopsy. He serves as the co-chair of the heart-lung transplant sub-committee of the Zonal Transplant Coordination Committee (ZTCC), Mumbai. He is also an executive committee member of the Society for Heart Failure and Transplant, India. He has co-authored 10 research papers and 11 conference publications.

### Dr. Rithin Rathnakar

MBBS, MS (General Surgery), MCh (Cardiovascular and Thoracic Surgery)

Dr. Rithin Rathnakar is a Consultant of Cardiac Surgery at Sir H. N. Reliance Foundation Hospital. He graduated from the Rajiv Gandhi University of Health Sciences, Bangalore. He completed his MS (General Surgery) from the prestigious All India Institute of Medical Sciences (AIIMS), New Delhi. He earned his MCh in Cardiovascular and Thoracic Surgery from G B Pant Hospital, MAMC, and Delhi in 2014. He has worked at Seven Hills Hospital, Mumbai and Jaslok Hospital as a Senior Consultant in Cardiovascular surgery. He did his Advanced Cardiothoracic surgery and Thoracic Organ Transplant training from Green-lane Cardiothoracic Surgical Unit, Auckland, New Zealand.

His areas of special interest include-

- Total Arterial Revascularization in CABG
- Mitral valve repair
- Advanced aortic root and arch surgeries
- Aortic emergencies
- Thoracic organ transplant (Heart and B/L Sequential Lung Transplant)
- Initiation and maintenance of VA and VV ECMO

### Dr. Maheboob M. Basade

MBBS, MD

Dr. Maheboob M. Basade, Senior Consultant in the Medical Oncology department at Sir H. N. Reliance Foundation Hospital and President-Elect of Indian Society of Medical and Paediatric Oncology.

Dr. Basade was then awarded with International Scientist's Visiting Fellowship in Haematology Oncology at St. Jude Children's Research Hospital, Memphis, USA followed by Fellowship at The New York Hospital- Cornell Medical Centre,

New York, USA. He was selected among 3 in the world for Young Medical Oncologist Fellowship offered by European Society of Medical Oncology to Institute Gustave Rousset, Villejuif, Paris, France.

His areas of interest include chemotherapy and immunotherapy in haematological and non-haematological malignancies. He has performed autologous, allogeneic bone marrow / stem cell transplantation for various malignant / non-malignant disorders. With his experience during his PhD in pharmacogenomics in ovarian cancer, he is very well versed with Precision Molecular Oncology in various other cancers. Apart from clinical work, Dr. Basade has been associated with many research projects dealing with clinical trials of new drugs, phase II / III clinical studies in cancer research as Principal Investigator.

### Dr. Vasant C Nagvekar

MD FIDSA FROM GRANT MEDICAL COLLEGE AND JJ GROUP OF HOSPITALS

Dr. Nagvekar is the Co-Director in the Infectious Diseases department at Sir H. N. Reliance Foundation Hospital. He is one of the senior most infectious diseases consultants in Maharashtra. He has been awarded the prestigious degree of FIDSA (Fellow of Infectious Diseases Society of America).

He is a mentor to many students in medicine and infectious diseases. His area of interest is infections in immunocompromised hosts and invasive fungal infections and antimicrobial resistance.

He is the joint Secretary of Clinical Infectious diseases society of India and founder member of the recently formed antimicrobial resistance trust.

### Dr. Vaibhav Bagaria

MBBS, MS, FCPS, Dip SICOT

Dr. Vaibhav Bagaria is the Director and Consultant Surgeon of Department of Orthopaedic Surgery at Sir H. N. Reliance Foundation Hospital. He has 15 years of experience in performing specialised hip and knee replacement surgeries and is trained in

latest technology like navigation, minimally invasive and robotic surgeries. An avid researcher, he is Indian president of International Orthopaedic body - SICOT and serves on editorial board of many prestigious scientific journals.

### Professor Sangeet Gawhale

Specializes in complex trauma, has vast experience in reconstructive and joint replacement surgeries.

He is a consultant in leading hospitals Saifee, Jaslok and Bhatia Hospital. He is a Hon. Professor at Grant Medical College and J.J. Hospital. He is a Faculty in many International and National conferences and has numerous scientific publications in reputed medical journals.

### Dr. Sewanti Limaye

MBBS, MD, MS

Dr. Sewanti Limaye is Director of Medical & Precision Oncology at Sir H.N. Reliance Foundation Hospital. She is also Director Clinical and Translational Research. Dr. Limaye is a pioneer in Precision Oncology in India and set up the first Precision Oncology clinic led by a Medical Oncologist in the country. Prior to relocating to Mumbai nearly six years ago, Dr.Limaye was a faculty at Columbia University Medical Centre-New York Presbyterian Hospital in New York, USA and before that at the Dana

Farber Cancer Institute/Brigham and Women's Hospital/Phase I - Early Drug Development Centre - Harvard Medical School in Boston, USA. She has been involved in research with leaders at Memorial Sloan Kettering Cancer Centre, Dana Farber Cancer Institute, Columbia University Medical Centre and National Cancer Institute, USA. She has also Co-founded Iylon Precision Oncology with global precision leaders and IMPACT India International with national leaders in Precision Oncology.

### Dr. Mangesh Patil

MBBS, M.S. (General Surgery), DNB (Genito-Urinary Surgery), MNAMS (GeneralSurgery)

Dr. Mangesh G. Patil is a Consultant Urologist at the Department of Renal Sciences, at Sir H. N. Reliance Foundation Hospital. He has more than 18 years of global training and experience in the field of Genito-Urinary Surgery.

Dr. Mangesh has performed more than 6000 urological procedures over last 5 years and is actively involved in Endo-urology, Laparoscopic and Keyhole surgeries related to Prostate, Kidney and Urinary bladder.

Dr. Mangesh is also an experienced Robotic Uro-Onco surgeon, and has performed more than 850 Robotic assisted surgeries until date. He specializes in Robotic surgeries for Prostate and Renal cancers. He is an, official proctor for Intuitive surgical, USA.

### Dr.Pradyumna J Oak

Dr Pradyumna J Oak is presently serving as the Director and Head Neurology at Nanavati Max Super Speciality Hospital. He has developed the state-of-the-art stroke unit with Door-to-Needle time of less than 30mins. Dr Oak is also instrumental in setting up India's first Hub & Spoke model of Rapid-AI powered Stroke Imaging to extend the benefit of stroke

management to the community. He is among the handful of neurologists who perform critical Neuro-intervention for stroke and related disorders.

Dr Oak has successfully managed stroke units at Global Hospital Parel and served as assistant professor and additional professor in renowned T.N. Medical College, B.Y.L. Nair Hospital , Mumbai Central and Seth G. S. Medical College ; KEM Hospital, Parel respectively.

Dr Oak is the founder-member of Society of Neuro-Vascular Intervention (SNVI)—a nationwide platform to promote fellowships and informed discussions on Neurovascular Interventions and Stroke.

### Dr. Maulik Parekh

MBBS, MD, DNB, FPICS

Dr. Maulik Parekh is the Head of TAVR and the Structural Heart Programme at Sir H. N. Reliance Foundation Hospital. He has several years of international experience in the field of Cardiology. Dr. Maulik Parekh completed his MD (Gen. Medicine) securing the university first rank and thereafter,

successfully completed DNB (Cardiology) from Mumbai. Later he got trained extensively for Transcatheter Aortic Valve Implantation (TAVI/TAVR) -non-surgical valve replacement) in Europe and has performed more than 300 TAVI/TAVR which is one of the largest volume in the region. He is a proctor of TAVR and has been actively teaching and propagating this new state-of-art technique to various centres across the country. He is also trained and certified for other structural heart interventions like MitraClip, PFO closures, ASD closure, Left atrial appendage closure etc. He has vast experience of routine and Complex Coronary Angiography and Angioplasty. He has expertise in Transradial Coronary Interventions. He is well trained in implantation of single and dual chamber pacemakers and ICDs.

### Dr. Kayomars B. Kapadia

MS (University Of Mumbai), FRCS (London), FRCS (Edinburgh)

Dr. Kayomars B. Kapadia is a Consultant Laparoscopic and Gastrointestinal Surgeon at Sir H. N. Reliance Foundation Hospital having 25 years of rich surgical experience. He has undergone 8 years of formal training in UK, Bordeaux & IRCAD in Strasbourg.

Recently, he has been to Florida for an advanced course in laparoscopic and robotic hernia surgery. He has presented many papers at National & International Conferences at Tokyo, Beijing and Dubai.

Besides this, he is also a surgical tutor.

His Special Interest include Gallbladder, Hiatus hernia, Colonic diverticular & GI surgeries. 'TEP' Inguinal hernia & Ventral hernia repairs and Endocrine viz. parathyroid, adrenal and pancreatic surgeries.

### Dr. Neeraj A. Kamat

MBBS, MS (General Surgery),MCh (CTVS AIIMS), FRCS-Ed (CTh)

Dr. Neeraj Kamat is a Consultant Cardiothoracic & Heart/Lung transplant/VAD surgeon at Sir H. N. Reliance Foundation Hospital with more than 15 years of experience. He specialises in the whole spectrum of Adult Cardiothoracic & Vascular Surgery. He is the only surgeon in Western India to have a National degree from a prestigious institute like AIIMS, Delhi and an equally acclaimed international degree(FRCS) in Cardiothoracic Surgery from UK.

His keen focus is on off-pump Beating Heart CABG with special interest in Total Arterial Revascularisation and LIMA-RIMA (Y) at par with international standards and quality audits by using EUROSCORE & STS scoring systems. His subspecialty interest has been in Heart & Lung Transplants and the Surgical Management of Heart Failure in the form of ECMO or LVAD/BIVAD for which he was in UK for a Specialised Fellowship. He has received additional training for Beating Heart & Lung retrievals from Boston, USA.

He is Member of several International and National Medical Boards (ISHLT, INSHLT, IACTS, GMC, MMC).

**Dr. Akash Shukla**  
MBBS, MD (Medicine), DM (Gastroenterology)

Dr. Akash Shukla is a Director & Consultant of Hepatology Department at Sir H. N. Reliance Foundation Hospital. He is an expert and done pioneering work in the field of vascular liver diseases & Liver Cancer. He is the first non-European to be nominated to the steering committee of the Vascular Liver Diseases Interest Group, EASL, Europe. He has also been part of authoring several international and national disease management guidelines for various liver diseases like vascular liver disease, acute liver failure, acute on chronic liver failure, nutrition in cirrhosis, hepatitis B, hepatitis C, non-alcoholic fatty liver disease, ascites & Hepato-cellular carcinoma. He is known for his excellent work in various aspects of liver diseases especially ascites, NASH, alcoholic liver disease, hepatitis B & C and hepatocellular carcinoma (HCC). He is TRG member for National Viral Hepatitis Control Program, GoI. He has worked extensively in the field of transplant and currently holds honorary posts of Jt Director (in-charge) ROTTO-SOTTO West and Maharashtra & Jt Secretary, ZTCC Mumbai. He is also state advisory committee member for GoM on organ donation and transplant.

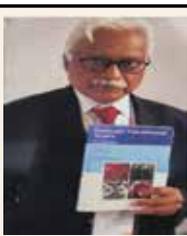

**Dr. Mehul Bhansali**  
Director Surgical Oncology  
MBBS, MS (Gen. Surg.), DNB

Dr. Mehul Bhansali is the Director, Surgical Oncology at Jaslok Hospital & Research Centre. Dr. Bhansali has a vast experience of more than 20 years.

**His area of expertise:**

- Head and Neck
- Gastrointestinal, Gynaecology
- Breast Malignancies

Honorary Consultant in Surgical Oncology. After finishing his MS general Surgery from KEM he underwent Onco-Surgery training from the TATA Memorial Hospital for 8 years. He also has many publications to his name in various national and international journals.

**Dr. Chandrashekhar Eknath Deopujari**  
MS, MCh, MSc, IFAANS

Dr. Chandrashekhar Eknath Deopujari, MS, MCh, MSc, IFAANS, is an Honorary Consultant and Head of Neurosurgery at the Bombay Hospital. He completed his MCh (Neurosurgery) at GMC, Mumbai in 1984 and MSc in Neurosurgery in 1988 from Newcastle, UK.

He has over 30 years of experience in Neurosurgery in Mumbai after further fellowships in Detroit, USA. He has been the President, of the International Society for Pediatric Neurosurgery (ISPN-2014-15) and President, the Neurological Society of India (NSI- 2012-13) Chairman of the World Federation of Neurosurgery committees for Neuroendoscopy & Neuroendocrinology and is the Founder President of the Neuroendoscopy Society of India. He is an International Fellow of the American Association of Neurological Surgeons (2020). He is the author of 5 Neurosurgery Books and has written 18 chapters in various National and International Books on Neurosurgery. He is on Editorial Board: of 4 journals and has published 128 scientific papers. He has Conducted several surgical courses and has been an Invited speaker in Pakistan, Korea, Japan, USA, as well as the European Congress. He has Performed over 8000 Neurosurgical Operations (Brain, Spine, and Nerves) including Aneurysms, AVMs, Skull Base Tumors, Epilepsy, and Endoscopic Surgeries.

**Dr. Rahul Verma**  
MBBS, MD, DCH, MRCP (UK)

He is a Director for the Department of Paediatric Sciences at Sir H. N. Reliance Foundation Hospital. Dr. Verma studied and obtained his MD (Paediatrics) from Seth G S Medical College and KEM Hospital, Mumbai and his MRCP (Paediatrics) from the Royal College of Physicians in UK, while working at prestigious institutes like St. Thomas' Hospital and Great Ormond Street Hospital for Children, London (UK).

He has 25 years of experience in India, managing very small preterm and high-risk babies with a goal towards intact survival. Dr. Verma works closely with a team of Paediatric super-specialists to provide state-of-the-art holistic medical care to children. He and his team are also running a successful DNB teaching programme as part of his academic commitments. He heads the faculty of Academics and Research at the Hospital. He is also currently the President of Neonatology Forum, Mumbai.

**DR. HEMANT RATHORE**

Dr. Hemant Rathore is the youngest doctor serving as a HOD at the Bombay Hospital, and is also a Palliative care specialist for terminally ill oncological and non-oncological patients. He was trained at the Jaslok Hospital, Mumbai. He has delivered three consecutive international presentations in his post graduation residency at EANM Hamburg,

Germany on the diagnosis of Parkinsonism using TRODAT scan, and on Lutetium PSMA therapy for castration resistant prostate cancer at EANM Barcelona, Spain and at RSNA Chicago, USA for which he was awarded with 2017 Best Research Award at Chicago, USA (so far the only Indian Doctor with this title in Nuclear Medicine). He has also represented India at Kazakhstan in 2014 and at UK in 2018 and spoken for hazards of nuclear radiations. His area of expertise is diagnosis of neurodegenerative and movement disorders using PET and SPECT scans, also the treatment of Thyroid cancer, NET, Prostate cancer and Bone pain palliation. He was awarded by Governor of Rajasthan on 26th January 2020 and also received Late Murli Deora 2018 National Award.

**Dr. Suresh K. Jain**  
Consulting Physician and Intensive Care  
Specialist

Dr. Suresh K. Jain is a Post-Graduate teacher and Critical Care Specialist working in the Bombay Hospital since more than the last two decades.

He has extensive experience in teaching students and training them and is well-versed in dealing with complicated and severely ill patients. Dr. Suresh has also been an integral member of the 'Organ Transplant and Brain Dead committee'. He has been invited as the faculty for conducting examination and has various publications on his name. He has tirelessly and fearlessly worked during the COVID-19 pandemic.

### DR. B. L. CHITLANGIA

Dr. B. L. Chitlangia is a Senior Honorary General Surgeon at Bombay Hospital & Medical Research Centre. He has been associated with the Hospital for more than 45 years.

He has been doing Complex Surgical procedures and has done more than 25,000 surgical procedures with excellent outcomes. He has also been Professor at Bombay Hospital Institute of Medical Sciences for General Surgery. Dr. Chitlangia is actively involved in the Post Graduate teaching at the Institute. His students are practicing all over the country as well as abroad.

### Dr. Navita Vyas

MD, DNB, FIAPM, CIPS (USA)

Pain and Palliative Care Specialist in Kokilaben Hospital, First Woman Certified Interventional Pain Sonologist & Pioneer in Ultrasound Guided Pain Interventions in India. Areas of Interest: Spinal Pain, Joint & Myofascial Pain, Chronic Pelvic Pain, Regenerative Medicine, Cancer Pain & Rehab, Palliative Care  
More than 15 years of experience  
Performed more than 9000 Pain & 700 Regenerative procedures  
Program Head, Fellowship Pain Medicine  
Invited faculty for Pain Medicine and Ultrasound Guided Interventions in Major International Meetings and Hands on Workshops  
Email Id : navita.purohit@kokilabenhospitals.com  
Mobile: 8003421888

### Dr. Anita Soni

Full-Time Consultant Obstetrics & Gynaecologist  
MD, DNB, FCPS, DGO  
Dr. L H Hiranandani Hospital, Powai, Mumbai

Dr. Anita Soni is a Full time Consultant Gynaecologist and Obstetrician at Dr. L H Hiranandani Hospital, Powai, Mumbai since its inception in 2004. She has an experience of 30 years and is in charge of the High risk pregnancy clinic a first of its kind in Mumbai.

She is an active member of the FOGSI COVID task force. She is a recognised teacher with the DNB and has trained many budding gynaecologists since the last 30 years. She has won various prizes and made presentations at State, National and International Conferences. She had many publications and chapters to her credit.

### Dr. Divya Prabhat

MS, DORL, DNB, FICS  
**Ear- Nose- Throat Specialist**  
Head, ENT dept.- Wadia Hospital  
**Consultant-** Jaslok Hospital, Bhatia & Raheja Fortis Hospital.

### Dr. Bharat Shivdasani

Interventional Cardiologist at Jaslok, Saifee & Breach Candy Hospital and DNB Cardiology teacher.

First to perform ECMO assisted angioplasty. Awarded the best Hemodynamic case at the CHIP International Conference in New Delhi 2020.

Specializes in complex angioplasty including Rotablation, CTO, IVUS, OCT, FFR & IVL.

Participated in several trials including Reality, Ripper, Rapport and Minicrown DES Trials.

Has over 50 National and International Publications.

### Dr. Dhruvi Chavan

BDS MDS Prosthodontics and cosmetic Dentistry

She is a co founder of Smile Again Dental clinic. With the vast experience of 12 years in this field, She has keen interest in cosmetic dentistry and Smile

Designing. She has published number of articles on Smile designing in national and international journals.

Smile Again Dental Clinic (Dadar East) is the state of the art clinic with all the modern technologies where focus is on providing best of treatments with no pain policy. Providing the most advanced dental care in a comfortable and pleasant atmosphere at Smile Again Dental Clinic are the priorities of Dr. Dhruvi Chavan

### Dr. Ajit R. Menon

MBBS, MD (Internal Medicine), DM (Cardiology)  
Interventional Cardiology

Dr. Ajit R. Menon is a Consultant of Cardiac Sciences at Sir H. N. Reliance Foundation Hospital. He is an experienced Interventional Cardiologist with over 27 years of experience. Apart from being an experienced Clinical Cardiologist, he is also an extremely experienced Interventional Cardiologist dealing with various types of complex coronary interventions.

He regularly performs over 10-15 Coronary Angioplasties a week, many of which involves complex situations. He is very well experienced in the use of Rotablator, Excimer Laser and various Intracoronary Imaging Modalities like Intravascular Ultrasound and Optical Coherence Tomography. He is a Proctor involved in training Cardiologists in the use of Rotablator, Left Main Coronary Intervention, Intravascular Ultrasound and Optical Coherence Tomography (OCT). He is a trained and certified operator in Structural Heart Interventions including Transcatheter Aortic Valve Replacements. He is also involved in various Clinical trials and he is a Primary Investigator in many of them.

### DR. PREMA KANIA

CONSULTANT OBSTETRICIAN & GYNAECOLOGIST  
BOMBAY HOSPITAL & INSTITUTE OF MEDICAL SCIENCES

DR. PREMA KANIA has extensive experience in the field with special interest in High Risk Obstetrics. She is also interested in women's diseases and menstrual disorders.

She is part of teaching faculty of the institute and on faculty of Maharashtra University of Health Sciences. She is a Post Graduate teacher. She has various publications to her name. She has been part of Faculty of various International conferences organised by the Hospital and National Gynaecological Organisations FOGSI, ISAR as well as Mumbai Obst Society.

**Dr. Amita Nene**  
MD, DETRD, FCCP(USA), FICS, FCCI

Dr. Amita Nene is Head-of-Department of Respiratory-Medicine at Bombay-Hospital. She is trained at Cleveland-Clinic-Foundation-USA. After completing her MD-and-DETRD in Respiratory-Medicine from Nair-hospital-Bombay in 1998.

Dr. Amita Nene was named amongst 'leading Indian-women-Pulmonologists' by International-journal-'Respirology' in February-2022. She is National-Examiner for MD-and-DNB Pulmonology-Exams of India, Instructor for 'Basic-Life-Support' and 'Advanced-Cardiac-life-support' courses of American-Heart-Association. Her research-projects have won National-and-International awards. She is part of National-guideline-making-committee that makes Indian-guidelines for treatment of various respiratory diseases. She was awarded prestigious 'Young-Achiever-Award' in the field of Pulmonology.

**Dr. Nilesh Chaudhary**  
Full-Time Consultant Neurologist  
MBBS, DNB Medicine, DNB Neurology  
Dr. L H Hiranandani Hospital, Powai, Mumbai.

Dr. Nilesh Chaudhary is Full time Consultant Neurologist at Dr. L H Hiranandani Hospital, Powai, Mumbai with 10 years of experience in Neurology. He is dynamic Stroke Neurologist with special interest and expertise in acute stroke management.

He has also expertise in management of Neuro-ophthalmic diseases and Neuro-immunological diseases like multiple sclerosis. He manages Headache clinic and Vertigo clinic at Dr. L H Hiranandani Hospital.

**Dr. Rupesh Kashikar**

Dr. Rupesh Kashikar is the Head of Department of Ultrasound and Colour Doppler at Bombay Hospital and Research Institute. He has been an integral part of the organization since 15 years. Dr. Rupesh possesses exemplary skills in both diagnostic Ultrasound imaging and guided procedures.

His competency makes him an invaluable cog in the system. Efficiency, time management, adroitness, tranquil nature are qualities that allow him to outshine.

**Dr. Vanita Raut**  
Full-Time Consultant Obstetrics & Gynaecologist  
MD, DGO  
Dr. L H Hiranandani Hospital, Powai, Mumbai

- Ex-Professor and Unit Head, Seth GS Medical College & KEM Hospital, Mumbai.

- Past president, MOGS 2017-18.
- Numerous clinical trials and publications.
- Fields of interest : Gyn. oncology, vaginal surgery urogynecology, adolescent health & contraception, high risk obstetric.

**Pulmonary/Chest - Medicine**

- Dr. Zarir F Udhwadia
- Dr. Deepak Namjoshi
- Dr. Avya Bansal
- Dr. Kartik Shah
- Dr. Swapnil Mehta
- Dr. Nimish Shah
- Dr. Amita Nene
- Dr. Pratibha Singhal

- Dr. Anita Sukhwani
- Dr. Jalpa P Bhuta
- Dr. Jayita Deodhar
- Dr. Kersi Chavda
- Dr. Zirak Markar
- Dr. Yusuf Matcheswalla
- Dr. Milan Balakrishnan

**Dr. Sanjay Chatterjee**  
MS, FRCS  
Asst. Prof. of Surgery & Consultant Surgeon  
Bombay Hospital & Institute of Medical Sciences Mumbai.

Dr. SANJAY CHATTERJEE is a Consultant Surgeon at Bombay Hospital, Mumbai, since last 20 years, as well as Post Graduate (MS General Surgery) teacher and examiner appointed by Maharashtra university of Health Sciences, Nashik. Dr. Chatterjee, after attaining surgical training and completing his Post Graduation at The Grant Medical College and Sir J.J. Group of Hospital Mumbai, went abroad to train further at King's College Hospital (rotation) London, where he completed his Intercollege, FRCS. On his return to India, he joined as a Consultant Surgeon at Bombay Hospital with special interest in Laparoscopic, Trauma and Day Care Surgery. Apart from being a very good Surgeon and a dedicated teacher, Dr Chatterjee has risen up to the occasion whenever the society at large needed a doctor. He has spent countless hours in Operation Theatre at Bombay Hospital to treat Bullet injury patients in the infamous Taj/ Oberoi shootout incidents, as well as tended to all surgical emergencies during the peak of COVID-19 Pandemic at Bombay hospital, without a break even for a day. Dr Chatterjee has further published an acclaimed paper on Experience of Surgery at Bombay hospital during COVID-19 Pandemic.

**Dr. Vaishali Solao**  
MD, FNB

Dr. Vaishali Solao is Director of Liver Intensive Care Unit at Sir H. N. Reliance Foundation Hospital. **Expertise and area of interest:** Acute liver failure, Extracorporeal blood purification therapies in liver failure. Dr. Vaishali Solao is a liver intensive care specialist with over 20 years of experience. After completing her graduation (M.B.B.S.), she completed her post-graduate training in Internal Medicine (M.D.) from MGIMS Sewagram,

she further pursued her post-doctoral fellowship in Critical Care Medicine from Lilavati Hospital Mumbai. She underwent further advanced training in intensive care in Sydney for 2 years.

Over the last decade her work as a liver and transplant intensive care specialist and has gathered vast experience in handling patients with acute liver failure, ACLF, and those undergoing liver or multiorgan transplantation (Liver, Kidney, Pancreas and intestine).

Dr. Solao has also been invited as a Faculty at many State and National conferences where she has presented her work and received critical acclaim.

- Dr. Neeraj Kamat
- Dr. Rithin Rathnakar

### Dr. Sunila Jaggi

MD, DNB, DMRE, DHM  
Consultant Radiologist  
CT Scan & MRI Dept  
Bombay Hospital, Mumbai

#### Teaching Experience:

Ex-Associate Professor at Grant Medical College & Sir J. J. Group of Hospitals, Mumbai.

At present, Professor Of Radiology, BHIMS.  
Recognized teacher at MUHS for Radiology since 2001

**Areas of Interest:** Cross sectional imaging (CT and MRI), especially Neuroradiology Practicing radiologist since 30 years with several publications in national and international journals and invited guest lectures.

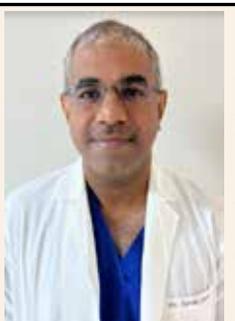

### Dr. Sujata Mehta

Dr. Sujata Mehta practises as a Senior Consultant Physician and critical care specialist at Bombay Hospital, Mumbai since 2010. She has been awarded with numerous degrees like MD Medicine, DNB Medicine, MNAMS, IDCCM, IFCCM and FNB Critical care medicine.

She has also completed her Fellowship in Critical care Medicine at MHH, Hannover, Germany.

She is a Teacher/Faculty for various courses like IDCCM, IFCCM, Diploma and FNB critical care medicine. She has received several awards for merit in medicine and critical care including Gold Medal in General Medicine and DNB Medicine.

### Dr. Karthik Ganesan

MBBS, DNB, FSAR

Dr. Karthik Ganesan is a Clinical Director CT/MR and Division Chief of Body and Head & Neck Imaging at Sir H. N. Reliance Foundation Hospital. He has over 18-years of rich experience in Cross-Sectional Imaging and his areas of interest are Abdominopelvic, Head & Neck and Advanced Oncoimaging, and, Percutaneous intervention. After pursuing fellowships in MR Imaging and Advanced Liver Imaging from University of

California, San Diego, he worked as a Consultant at Jankharia Imaging for 5-years, following which he joined Sir H. N. Reliance Hospital in 2014. He has received the Amar Gandhi Scholarship for Best Clinical Associate in Jaslok Hospital, Hargobind Foundation Medical Fellowship and J.N.Tata Endowment Scholarship. He has authored numerous peer reviewed scientific papers, exhibits and text book chapters, has delivered over 400 invited lectures and won numerous awards at International Radiological Societies. He is a visiting Professor of Radiology at the University of British Columbia, Vancouver and is a member on the LIRADS panel sponsored by the American College of Radiology.

### DR. GAUTAM BHANSALI

D.N.B.(Internal Medicine),  
F.C.B.S., F.A.C.P, F.A.C.C. (USA)  
Consultant Physician  
BOMBAY HOSPITAL

Dr. Gautam Bhansali, Consultant physician at Bombay Hospital and Chief Coordinator for all private hospitals and nursing home for Covid 19 has vast expertise for clinical research in Intensive Care, Diabetes, Infectious and Tropical Disease.

He is the Chief coordinator for covid pandemic for making treatment guidelines, bed availability, proactive strategic planning for vaccinations, in consultation with the Government of Maharashtra. Dr. Bhansali has been awarded the Mumbai Ratna Award, most promising physician by the Government of Maharashtra and more than 10 prestigious awards by various Authorities. He has also featured in the "Guinness Book of Records" for his contribution towards patient care. Through his NGO "GAUTAM BHANSALI'S GOLDEN HOUR FOUNDATION" has served with free vaccinations, masks and PPE kits in slum areas of Mumbai.

## Unique cutting edge NC treatment for Cancer & Kidney

Dr. MG Desai, MBBS, MD, realised early in his clinical practice that 'Cure' is a mirage word, most of the patients of diabetes, kidney, heart, brain or Cancer have to live with the disease, keep taking more medicines or face death. His zest to Cure the helpless patients, he diverted his clinical practice to non Pharma result giving research & his 47 years long extensive work gave birth to the most result giving, most Advanced Medical Science NAMS.

**Dr M G Desai (MBBS , MD ) , Dr Hiral ( Herbalist )**  
Most Successful research scientist in reversal of Heart, Cancer , Kidney ,Brain & other impossible diseases

— The future of society lies in healthy life..  
NAMS' tries to render it . . . . .

" When impossible condition like Cancer or Gangrene or MRD is recovered once, It is called a medical miracle, but when it is recovered again and again with many patients....it is called The Science" . . . .says Dr Desai .

NAMS is fastest & best result giving, non invasive, patient friendly, totally indigenous, non chemical, non Pharma science. NAMS treats the body and not the diseases. The disease causing aetiology of every patient is thoroughly studied and treated by NAMS along with body specific organic formulations, diet & lifestyle.

### NAMS- PTS Changing the Heart Soul & Face of Cancer treatment

Till now around 35000, patients of Heart, Kidney , Cancer, Brain and other impossible no hope conditions are treated by this Science NAMS with success rate of 80 to 90 percent.

Alumni of WCC (World Cancer Congress) appreciated result oriented research of Dr Desai in one of his international presentations.

"For Cancer ..only result matters ! Only Success matters ! ! Healthy extension of painless life matters ... ! are the last words of his work.

NAMS-PTS is an answer to...what next ? When Cancer is beyond the reach of chemo, radiation, surgery or has reached metastasis.

#### Unique Features of NAMS - PTS Cancer Treatment

- \* Fast pain control by non chemical medicines.
- \* Best palliative care, without side effects.
- \* Soothing body friendly treatment.
- \* Treatment effective on all types of Cancers, at any stage of the disease.
- \* Can be taken solely or along with or after chemo, radiation, surgery etc.
- \* Fairly pocket friendly.

**NAMS PTS has achieved great results in treatment of kidney diseases. Results are in terms of clinical improvement in sign symptoms, or /& reduction in serum creatinine, anuria to urine output & number of dialysis per week .**

NAMS pay attention to the causative reasons . Few of the etiologies identified for CKD are heavy metals entering the body through metal contaminated water, fish, erring food, pesticides, fertilisers etc.. **These heavy metals like lead, cadmium, copper & others from unidentified, are mainly hidden in the forms of free radicals & oxidants,** which get transformed into toxins leading to destruction of organ at cellular level or create favourable environment for cocci, bacilli, aerobics, anaerobics bacterias, viruses etc. Reasons which lead to auto immune, self destruction, proliferation, hypertrophy (Cancer etc.) can be reversed or limited or stopped by NAMS services. We have been able to treat and eradicate diseases caused by them.

Unfortunately the reasons which cause Cancer, Diabetes , Kidney disease & other impossible stubborn diseases are not clear or pinpointing found out by medical research eyes of detection, where as .....NAMS is successful in tracing such reasons & treating them. So detection, identification, solution & reversal is easily done by NAMS and the results are clear, the success is almost striking, positive & very fast .

#### Unique Features of NAMS Kidney Treatment

- Fast results-Most of the cases show fast Improvement in clinical sign symptoms as well as on lab reports.
  - Economical, patient friendly without any side effects.
  - Easy & pinpointing dietetic guidelines
- For more information contact:
